BOTTEGA VINAIA ESTATE-BOTTLED PINOT NOIR

Estate-bottled Bottega Vinaia is the outcome of a vision shared by Giacinto Giacomini and Anselmo Martini, managing director and lead winemaker, respectively, at the widely recognized Cavit winery. Starting in the early 1990s, Giacomini and Martini sought to explore the optimum potential of a handful of extraordinary vineyards in northern Italy's Trentino region that, year after year, consistently produce the highest quality grapes. This select group of family-farmed vineyards is the source of Bottega Vinaia, an exceptional line of artisan wines that reflects the authentic qualities of the Trentino terroir. Thanks to Giacomini's and Martini's passion and tireless drive, Bottega Vinaia has swiftly joined the ranks of Italy's top-notch premium wine producers.
