VENEZIA GIULIA IGT

BERTANI DUE UVE

Located near Verona in the province of Veneto in northeast Italy, Casa Vinicola Bertani is one of the region's most important and influential wine producers. Bertani produces a full spectrum of the classic wines of the Veneto and has enjoyed a reputation for quality from the start.

Bertani was founded in 1857 by brothers Gaetano and Giovan Battista Bertani, prosperous wine merchants who believed that quality winemaking held the key to the future. The Bertanis invested their funds in buying some of the finest vineyards in the province and making their own wines. As a result, unlike most other local producers, Vinicola Bertani owns its own vineyards and so is able to oversee the entire winemaking cycle from start to finish.

The name (pronounced Do-Ay OO-vay) means "two grapes," which aptly describes this beguiling and innovative estate-bottled blend of Pinot Grigio and Sauvignon Blanc grapes.
